
SUMMER SCHOOL ON MIGRATION STUDIES

WITH FOCUS ON INTEGRATION OF REFUGEES

August 18th – 24th 2024

Czechia – Prague, Faculty of Science, Charles University

UNITED NATIONS

United Nations Information Centre Prague
is partner of the program

Geographic Migration Centre, a research institute affiliated with the Department of Social Geography and Regional Development, **Faculty of Science, Charles University**, and **International Organization for Migration (IOM) Czechia**, cordially invites students and young professionals to Prague, for the Summer School on Migration Studies.

The **United Nations Information Centre Prague UNIC** is partner of the program.

The program builds on previous editions of summer schools organized by **IOM Czechia** and the **Geographic Migration Centre** since 2009 with different partners – IMISCOE, CzechAid, OSCE, US Embassy in Prague, Ministry of Interior of the Czech Republic etc.

The summer schools were attended in total by more than one thousand students and professionals from around one hundred countries who listened lectures presented by following distinguished experts:

Joaquín Arango, *Professor of Sociology at the Complutense University of Madrid*
Ronald Skeldon, *University of Sussex*
Heinz Fassmann, *University of Vienna*
Philippe De Bruycker, *Université Libre de Bruxelles*
Lori Hunter, *University of Colorado in Boulder*
Jiří Pehe, *Director of the New York University in Prague*
Fatima El Diasty, *UNHCR*
Nadya Jaworsky, *Harvard University and Masaryk University Brno*
Romi Mukherjee, *Sciences Po-Paris*
J.C. Mutchler, *The University of Arizona*
Martin Váně, *Danish Refugee Council Libya*
Yvonne Riaño, *University of Neuchatel*
Adrian Bailey, *Hong Kong Baptist University*

and many others distinguished experts from academia, international and non-governmental organizations (La Strada, Charitas, etc.) as well as migrants' organizations and communities (European Congress of Ukrainians etc.).

The course will be organized physically at the **Charles University**, one of the oldest European universities founded in 1348. Experienced and respected scholars and practitioners will take part in the Summer School while delivering lectures and/or leading seminars, workshops, panel discussions on issues closely related to migration. It will be examined from political, economic, sociocultural, demographic, development, geographical and perspectives.

This year's event will focus on the integration of persons with international (temporary) protection.

In addition to the academic part, other accompanying events, especially cultural ones, will take place.

The following experts and many others will be confirmed during spring, when the final list and draft program will be published. The program will follow a similar format as last years, see <http://geomigrace.cz/en/news/>
